Boston, MA — The Boston Global Forum (BGF) and the AI World Society (AIWS) are proud to announce the launch of **AIWS Music for Humanity**, a pioneering global movement that seeks to harness the power of music to inspire compassion, peace, and ethical leadership in the Age of Artificial Intelligence.

Co-founded by **Governor Michael Dukakis**, Chairman of BGF, and **Nguyen Anh Tuan**, Co-Chair and CEO of BGF and Co-Founder of AIWS, the movement unites world-renowned musicians, composers, symphony orchestras, AI innovators, and policymakers to explore how music can guide society through one of the most transformative eras in human history.

A New Cultural Mission for the AI Age

AIWS Music for Humanity aims to elevate the role of music as a moral compass and cultural force to address the ethical challenges and emotional impacts of rapid technological change. The movement reflects the core values of AIWS: ethics, compassion, peace, dignity, and enlightenment.

“We believe music can speak where words fail,” said Governor Dukakis. “This movement brings heart and soul to global conversations about AI and our shared future.”

Key Components of the Movement

- **AIWS Music for Humanity Forum** – A prestigious annual gathering rotating among Boston, Paris, Tokyo, Lake Como, and Nha Trang, where music leaders and AI experts shape the movement's direction.
- **AIWS Music Ambassadors Program** – Invites distinguished musicians to serve as cultural leaders of the initiative.
- **Collaborations with World-Class Orchestras** – Partnerships with the Vienna Philharmonic, Boston Symphony Orchestra, and others to debut AIWS-themed works.
- **Composer's Circle and Youth Innovation Challenge** – Empowering emerging artists and young minds to express AI ethics through music.
- **Partnerships with leading institutions** – Including New England Conservatory, Berklee College of Music, MIT Media Lab, and UNESCO.
- **Integration with the AIWS Film Park and StudioVerse** – Original compositions will support immersive film experiences that tell the story of human dignity and AI.

In a powerful addition, recipients of the **World Leader for Peace and Security Award** and **World Leader in AIWS Award** will contribute messages and reflections, providing moral guidance to the movement.

Upcoming Milestones

- **July 4, 2025:** Global Launch Ceremony – Virtual event connecting five cities.
- **December 12, 2025:** Release of the *AIWS Peace Symphony* at Boston Symphony Hall.
- **May 1, 2026:** AIWS Music Ambassadors Gathering at Loeb House, Harvard University.
